

Porcine Reproductive and Respiratory Syndrome Vaccine, Inactivated (Strain CH-1a)

<u>NAME OF VETERINARY MEDICINE</u>	English name: Porcine Reproductive and Respiratory Syndrome Vaccine, Inactivated (Strain CH-1a) Chinese pinyin: Zhu fanzhi yu huxi zonghezheng Miehuoyimiao (CH-1a Zhu)
<u>MAIN INGREDIENTS AND CONTENT</u>	The vaccine contains porcine reproductive and respiratory syndrome virus, and the virus content before inactivation should be $\geq 2 \times 10^{7.0} \text{TCID}_{50}/\text{ml}$.
<u>CHARACTER</u>	Milky emulsion.
<u>FUNCTIONS AND USES</u>	Prevention of infectious porcine reproductive and respiratory syndrome. Immunization period is 6 months.
<u>USAGE AND DOSAGE</u>	Intramuscular injection into the neck. For sows, the first vaccination will be carried out within 40 days of pregnancy, the second injection will be carried out after 20 days, immunized every 6 months thereafter and 4ml each time. For breeding boars, the first vaccination is carried out at the same time as the sows, and the second vaccination is carried out after 20 days, and immunized every 6 months thereafter, each time 4ml. Piglets are vaccinated once at 21 days of age, 2ml per pigs.
<u>ADVERSE REACTIONS</u>	When the vaccine is injected, some pigs will have local swelling, which can disappear in a short time.
<u>MATTERS NEEDING ATTENTION</u>	(1) The vaccine should be returned to room temperature and shaken well before use. (2) The injection site should be strictly disinfected. (3) When vaccinating pregnant sows, pay attention to fixation to avoid mechanical abortion. (4) A small number of pigs showed mild swelling at the inoculated site after injection, which basically disappeared after 21 days. (5) Vaccination is not allowed 21 days before slaughter. (6) It should be used under the guidance of a veterinarian.
<u>SPECIFICATIONS</u>	(1) 20 ml/ bottle (2) 50 ml/ bottle (3) 100 ml/ bottle
<u>PACKAGE</u>	(1) 600 bottles/case (2) 300 bottles/case (3) 280 bottles/case (4) 100 bottles/case (5) 40 bottles/case
<u>STORAGE AND STORAGE PERIOD</u>	Store at 2 ~ 8 °C , valid for 18 months.
<u>APPROVAL NUMBER</u>	SYSZ240051054
<u>PRODUCTION ENTERPRISE</u>	Guizhou Firstv Biological Technology Co., Ltd Address: No. 268, kechuang south road, Baiyun District, Guiyang City, Guizhou Province, China. Postcode: 550014 The phone: 0851-84603559 Fax: 0851-84603559
